

# Swoop™ Portable MR Imaging System

## NATIONAL TOUR

We bring the demo to your door.

**EXPERIENCE IT YOURSELF.  
THE WORLD'S FIRST BEDSIDE  
MR IMAGING SYSTEM IS  
COMING YOUR WAY!**

Experience the game-changing Swoop™ Portable MR Imaging System first hand. Imagine easy and accessible MRI throughout your hospital. The Swoop™ system wheels directly to a patient's bedside, plugs into a standard electrical outlet, and is ready to scan in under two minutes—expediting critical clinical decision-making for patients of all ages.

# Swoop™ Portable MR Imaging System

## NATIONAL TOUR

We bring the demo to your door.

### WHAT TO EXPECT ON DEMO DAY

- See a live scan and images produced in real-time.
- See our workflow in the ICU, ED, or wherever you like.
  - Go hands-on with our iPad® interface.
  - Drive and maneuver Swoop™ yourself!

Hyperfine will be visiting your area soon for live, on-demand demos. Visit [DemoAtYourDoor.com](http://DemoAtYourDoor.com) to secure a demonstration in your facility or on the Swoop™ truck—wherever is most convenient for you.

Get on the calendar by visiting [DemoAtYourDoor.com](http://DemoAtYourDoor.com).
